The Morality Play, "Everyman" Next Reading Chosen by Dramatic Club

The reading of the morality play "Everyman" will be the main feature of the program at the meeting of the Dramatic Art club, to be held Tuesday evening, March 25, in the Social Room of Mary Francis Clarke Hall. The Dramatic Club has made a cursory study of the history of the drama, having chosen representative plays for reading at the meetings.

"Everyman" is a treatise of how God sends Death to summon each person to give an account of his works. Its power lies in its personal appeal. It is strictly allegorical in structure, and it teaches a lesson for the guidance of life.

Though the morality is a younger type than the miracle, it must not be thought of as an evolution from the older didactic drama. It was in all probability of independent origin, springing up apparently about the beginning of the fifteenth century. Five moralities are assigned to the fifteenth century; during the sixteenth the type attained considerable popularity, and the middle fifty years of that century may be called the morality's heyday.

The modern revival of the play is convincing proof that the morality was not the lifeless shell it has often been made out, and renders quite intelligible the hold it has upon later century audiences.

The readers will be as follows:
Announcer—Evelyn Bode, Algona, Iowa.

Messenger—Mary Miller, Dubuque.
Voice—Margaret Mary Henry, Greeley, Iowa.

Death—Catherine Mahoney, Chicago.

Everyman—Regina Sullivan, Jesup, Iowa.

Spanish Comedy Given By Students' Club

"La Broma," a Spanish comedy in three acts, was presented at Clarke college by the Spanish circle Wednesday, March 12, in the Mount St. Joseph assembly hall at 7:30.

The title of the play is translated "The Joke," and has a modern setting. The plot of the play centers in the attempts of an irritable father to marry his daughter Carmen, to the son of his old friend, Senor Aguilar. The son is to be presented to the daughter as a secretary of the father. The daughter in turn adds caprice to the affair by exchanging clothes with the maid and presenting herself to the proposed lover in this disguise. The sense of humor of the young man and the charm of the senorita Carmen, adds comedy and mirth to the already clever plot.

The characters were as follows:

Don Luis—Mildred Delaney, Cedar Rapids.

Don Antonio—Helen Condon, Chicago.

Carmen—Helen Kepler, Dubuque.

Adele—Mary Leone Norton, Dubuque.

Miss Dulah Pulskamp Is Judge In Debate

Miss Dulah Pulskamp, a dramatic art instructor at the college, acted as a judge at a debate held between Senior High and Davenport on the question, "Resolved, that the jury system should be abolished in the United States constitutionally." The decision was in favor of the negative side, Davenport. The other judges were: Attorney Leo F. Tierney and the County Superintendent of Schools Joseph P. Flynn.

MISS MARGARET O'GARA

Miss Margaret O'Gara, '29, Chicago, received a scholarship at the Chicago Musical College, which enables her to study piano under the eminent Hungarian pianist, Alexander Raab.

Miss O'Gara was one of ten who tried for the scholarship. She played Etude Op. 25 No. 9 Chopin and Intermezzo E major, Brahms.

Miss O'Gara is the second student of the conservatory of Music at Clarke College who has won signal honors as a young artist this year.

Classes Present Original Stunts Preceding Games

Carrying out the athletic traditions of Clarke College unique and original demonstrations of class enthusiasm were presented by the contesting classes preceding the two final games of the basketball tournament.

On Friday, February 28, the upper classmen assumed the right to delay breakfast long enough to create an atmosphere of expectancy. After the other classes were assembled, Miss Cecelia O'Donnell appeared as a herald sounding her bugle. The Misses Corinne Mitchell and Eleanor Lyon entered as announcers introducing the performers of the evening's entertainment, whereupon the six smallest seniors bowed as proxies for the regular team while the remaining seniors, dressed in caps and gowns, wended their way through the dining-room, led by the cheerleader, Miss Evelyn McCormick and singing: "The seniors have a will" (Continued on page 2)

College Receives Official Disposition of Frances Fay Fallon Scholarship

An official description of the Frances Fay Fallon \$10,000 perpetual scholarship foundation was received at Clarke College, March 4. The scholarship was established in 1925 by Mr. and Mrs. Bernard E. Fallon, Chicago, in memory of their little daughter who died at the age of eight years in 1922, but arrangements for the final disposition of the

foundation were only recently completed.

Mrs. Fallon, nee Frances Driscoll, is an alumna of Clarke College and the scholarship will be bestowed upon worthy students who attend her alma mater. Mr. and Mrs. Fallon will appoint the recipients of the gift. The interest on the trust fund will furnish all expenses for a college student during her four years of attendance.

A portrait of little Frances Fay, the child whose memory will be honored by the generosity of her parents, hangs in alumnae corridor. Although Mrs. Fallon's dream of sending her little girl to graduate from the same institution where she received her training can never be realized, yet, through the gift of the child's parents many another girl will receive the privilege of attendance at Clarke College.

Every provision is made to safeguard the bestowal of the scholarship to worthy students of Clarke College.

As benefactors of the college, Mr. and Mrs. Fallon, members of their family and especially little Frances Fay will always share in the prayers of the students and faculty of the College and of the Sisters of Charity of the Blessed Virgin Mary.

An article which appeared in the "Laborum" for Spring 1925 said in part, "The span of her life was short, the span of her influence, who can measure? When there shall no longer remain even one to identify those who in by-gone years spent their College days in the ennobling atmosphere of Mount St. Joseph, the portrait of Frances Fay Fallon will be seen and recognized as the image of a benefactress."

Ratan Devi to Sing at Clarke College

Ratan Devi, possessing a pleasing contralto voice, of extraordinary beauty, will appear in the Clarke college auditorium, Sunday, March 16, 7:30 p. m.

Ratan Devi's singing of both the classical Indian Ragas and Kashmiri Folk-songs is remarkable, especially in the Ragas. Her voice has a beautiful richness and timbre, and her vocal technique, especially in the management of long phrases and ornamental figures is of a sort not often met with.

The impressiveness of Mme. Devi's recitals and the refined artistry of the singer produces a pleasing effect upon the audience. It is not often that so beautiful an art as that of Mme. Devi comes to Dubuque.

Mme. Devi's delivery of the music is quite remarkable. Lost in the spirit of the message she brings, she gives each song in a manner unique both for the variety of the word and in the intonation of the vocal medium through which the texts are conveyed. The rich warm tone used to express the Indian melodies is altogether pleasing to the western ear. Her programs are distinctive for her unusual folk-songs.

Apart from the pleasure that the recital of Mme. Devi will give, there is also an educative influence. The artist has the power to express emotion without the aid of an array of technical means. Ratan Devi will bring art which is hers only and will present it in an unforgettable way.

Lenten Regulations Read by Chaplain

The prescribed lenten regulations sent out to the various parishes by Right Reverend Michael Barry, administrator of the archdiocese of Dubuque, were read by the Reverend Edward A. Fitzgerald, college chaplain, at Mass, Sunday, March 2. Special suggestions were given by Father Fitzgerald apropos to the observance of the holy season of lent among which were daily attendance at Mass with frequent reception of communion, the way of the cross, and abstinence from certain recreations.

Father Fitzgerald explained that students even though they are over twenty-one years of age may be excused from the obligation of fasting because of the effort involved in pursuit of their curricular courses. Students exempt from fasting are, however, to substitute some form of mortification equivalent to that of fasting, on the advice of their confessor.

On Wednesday mornings during lent, benediction of the most Blessed Sacrament is given immediately after Mass and also on Friday evenings after the devotion of the stations of the cross, conducted by Father Fitzgerald.

Students Begin Novena For Russian Sufferers

A public novena in honor of Saint Joseph for the relief of suffering Christians in Russia was begun by the students of Clarke College, Tuesday, March 10. The novena will end on St. Joseph's feast day, March 19.

Now was St. Joseph forgetful of his charge when the Sisters undertook the direction of Father Domagala; were undecided whether to come West at the invitation of Bishop Loras or accept Bishop Hughes's offer to establish the community in his new York diocese. Father Domagala asked the Sisters to make a novena to St. Joseph "while he himself offered a novena of Masses and with the confidence of a privileged child asked of St. Joseph as a special favor, an unmistakable sign of God's holy will." The morning of St. Joseph's day, 1843, the novena ended.

And while Father and the Sisters were still in the chapel a messenger came from Bishop Loras. He repeated his petition and begged that some Sisters might be sent to his diocese. Every "Mount" girl, were this story generally known, would add a special "thank you" to the thanksgiving of Father Donaghe and the Sisters for the direction of the Sisters of Charity, B.Y.M. to Dubuque.

Although it is now Charlie Cole, old girls and new never forget that St. Joseph is ever their parent.

Pre-Lenten Party On Mardi Gras

Fortune cakes, an "Ole Time" party, and dancing were the features of the Mardi Gras celebration at Clarke College, Tuesday, March 4.

Successful missives revealing the nature destiny of each girl, rings or medals were concealed in cakes served at lunch in the Mary Francis dining hall and at the resident dining hall and at dinner in the Mount St. Joseph hall.

An "Ole Time" costume party was enjoyed in the Mount St. Joseph assembly hall at 7:30.

The variety of colorful costumes, confetti, pop corn balls and the singing of college songs afforded much merriment in the evening.

SOPHOMORES ENTERTAIN

The Sophomore class of Clarke College held an impromptu party in the Mount St. Joseph assembly hall on Saturday, March 1, in honor of the Sophomore Basketball team.

Dancing comprised the entertainment of the evening which was concluded as the Sophomore class songs were sung.

Final Victory For C. C. Squad

CLOSE CAGE SEASON WITHEASY VICTORY

Clarke College Dribblers Defeat University Of Dubuque 31 To 27

With an all-victory record the Clarke College squad closed the basketball season with a final success, winning a score of 31 to 27 over the University of Dubuque, Saturday evening in the Clarke College gymnasium.

The making of the first score by the University initiated fast, hard playing by both teams. The ball was shot from one side to another with rapid speed amid the cheering of the numerous supporters along the sidelines. The first quarter closed just as the Clarke forward was aiming for a goal, the score being 8 to 7 in favor of the University.

During the second quarter the University held the lead by a few points up to the middle when a free throw by Clarke tied the score. It was only for a few seconds that the lead was held as a long shot from the field put the University again in the lead which they maintained until the close of the half.

The energetic cheers of the supporters of the teams, and the music by the Clarke college band assisted in creating a spirit of tense interest.

There were no changes in the lineup at the half, both teams taking their places with an air of determination. The expert guarding made it extremely difficult for the forwards of either team to shoot for goals. During the third quarter the University made only four points while the Clarke sextet scored eight, closing the quarter with a record of 25 to 23 in their favor.

With the opening of the fourth quarter the spectators were in a state of tense anticipation. Clarke held the lead by two points but a free throw and a goal shot by the University tied the score for the third time. There remained only four minutes to play. Clarke received the tipoff and shot for a goal, breaking the tie in their favor. One last shot was added to the record by Clarke after which the final whistle brought to a close the most exciting contest of the season, the score being 31 to 27 in Clarke's favor.

Both squads manifested deliberate team-work and good sportsmanship. After the game representatives of the University together with the squad and officials of the game were entertained in the Mary Frances Clarke dining hall.

Clarke Seniors Win From Soph. Team

In one of the fastest games of the basketball intra-mural tournament, the Seniors defeated the Sophomores in the Clarke college gymnasium Friday night by a score of 30-18.

The Sophomores took the offensive and scored three baskets in rapid succession. The Seniors, however, held the attack well in hand although the quarter ended with the score 6 to 4 in favor of the Sophomores.

The Seniors found the basket more freely in the second quarter. In spite of the splendid defensive plays by the Sophomores, who did not obtain a single basket, the half ended 10 to 6 in favor of the Seniors.

In the third quarter the upper class team continued to play rapidly and skillfully. The Sophomore girls gave them good opposition but could not succeed in stopping the progress. Accurate guarding frequently prevented the Sophomores from scoring heavily.

The final whistle found the score 30-18 in favor of the Seniors.

SENIOR CLASS IS CAGE CHAMPIONS

Defeat Freshmen in One-Sided Battle By Score Of 44 To 28

By defeating the Freshmen team, the senior sextet won the intra-mural basketball championship at Clarke college Monday night. The score was 44 to 28.

The greatest number of points toward the winning of the trophy of the intra-mural athletic tournament is awarded the winners of the basketball tournament. During the first four minutes after the opening whistle sounded neither team scored. The action was swift, both Seniors and Freshmen offering good defense. However, the Seniors obtained seven points to the Freshmen's opposing four before the quarter ended.

The second quarter was fast and hard-fought, both teams adding ten points to their respective scores. The Freshmen and Seniors played alternately defense or offense, as occasion demanded, with equal skill. Returning to the floor with renewed energy for the third quarter, the Seniors lengthened their lead by 12 points. The Freshmen, unable to break the well-timed team work of the opposing sextet, were credited with five points this period. Close guarding on the part of the Senior players kept the ball in the Senior court most of the fourth period, with the result that they had 44 points against the Freshmen's 28 when the game ended.

DEMONSTRATION IN C. C. NATATORIUM Various Swimming Strokes Are Exhibited By Children For Public

Resuscitation and swimming demonstrations were given Friday evening, February 28, at 7:45 o'clock in the Clarke College natatorium before a large group of interested spectators. The resuscitation demonstration was presented through the courtesy of the Interstate Power company employees. Dr. J. E. Weeb gave an instructive talk on first aid, J. H. Kirwin, L. L. Peterson, G. F. McVee and R. F. McCaw assisting in the demonstration.

The various strokes and dives were exhibited by Mary June Burch, age 8, William Molo, 8, and Jane Anne Scheele, 12, in the order of their appearance.
